13 Things to Do in New York's Art World Before May 4

BY DAN DURAY, ANDREW RUSSETH, M.H. MILLER AND ZOË LESCAZE 4/28 11:01AM

THURSDAY | Opening: Jay DeFeo at Mitchell-Innes & Nash

Blockbuster alert! Hot on the heels of the Whitney's illuminating 2013 Jay DeFeo (1929–89) retrospective, MIN is showing work from 1965 through the end of her life. Forty-eight total pieces, folks: collage, painting, photography, photocopying(!) and more. Not to be missed. (Pictured in the slide show is 1972's *White Shadow*.)
