HIGHBROW

The Delacorte gets **spiffed** up.

Jacolby Satterwhite's **visceral** paintings at MoMA PS1.

Alvin Ailey **spectacularly** returned to City Center.

The Loft Generation, by the late **artist and critic** Edith Schloss.

Wicked's first **Black Glinda**, Brittney Johnson.

... But soon you'll have to get **boosted** to attend the Met Opera.

Rogers Stirk Harbour's condo, No. 33 Park Row, is **well mannered** (if pricey).

Vax Daddy is **running** for State Assembly.

The Met **purges** the Sackler family name.

Talking Heads' *Stop Making Sense* was added to the National Film Registry. **My God**, what have they done?
