Fall is (almost) here, which means it's time to really start dressing. If you are someone who is looking to add some statement pieces to your wardrobe, there are some great drops this week that you should be paying attention to.

Supreme is reportedly dropping its leather jacket collaboration Jeff Hamilton along with a series of items with artist Pope.L, Denim Tears has joined forces with Stüssy and Our Legacy for some all-over print Levi's denim sets, and Kith has some solid fleece jackets coming as part of its Fall 2022 lineup. Other notable projects include an Awake NY x UPS capsule celebrating the Latinx community and the debut of Matty Matheson's workwear brand Rosa Rugosa. If you're planning your next vacation, consider copping some luxurious luggage from the Casablanca x Globe-Trotter collab.
