

# MITCHELL-INNES & NASH

NEW YORK

## To Do: Twenty-Five Things to See, Hear, Watch, and Read

November 22 – December 6, 2023 | Jerry Saltz

Installation view of Keltie Ferris: *dOUBTsWISHes* at Mitchell-Innes & Nash, New York, 2023

## Art

### See: Keltie Ferris

With highly colored paintings of grids and things that look like algae blooms and coral reefs seen through filters - plus intriguing prints made with his own body as a brush - Keltie Ferris presents a brave, capricious style plumbing the depths and implications of abstraction.

*Mitchell-Innes & Nash, 534 West 26<sup>th</sup> Street; through December 9.*
